YEARS OF  
EXPERIENCE

## Making Connections - One Investment at a Time

Hakimian Holdings dates back over 20 years, born from the initial success of property investments made by founder and Chief Executive Officer Benjamin Hakimian.

Mr. Hakimian built his business through tenacity and hard work, as well as a fierce entrepreneurial spirit, he started a successful auto parts company before shifting to real estate full-time in 1999. He built Hakimian Holdings from the ground up by following a straightforward strategy: acquire quality properties, make upgrades if necessary, and operate within the community as a good neighbor who learns from the past, while continually striving toward a better future.

Our hands-on approach to adding value means that we are involved at every step of the way, from acquisition to leasing to property management. This strategy has served us well and Hakimian Holdings continues to expand as a leading investor, redeveloper, and manager of commercial retail and office space in the Southeastern United States.
